CUBE LTD+ LED OUTDOOR LIGHT

Introduction
These operating instructions form part of the product. They contain important safety, installation and disposal instructions. Please read the operating and safety instructions carefully before using the product. Use the product only as described and only for the indicated range of application. When passing the product on to another person, make sure to hand over all documentation together with the product.

Intended use
The outdoor light LTD+ is non-licensed as bicycle lighting according to German Road Traffic Licensing Regulations. The silicone strap mounting is designed exclusively for the use with walking frames, strollers and for fixed mounting. The product is destined to outdoor application and can be applied while camping, hiking, etc. You must not use the product in any other way than intended and must not modify or change the product in order to prevent damages on the product and/or injuries. The manufacturer does not assume liability for any loss caused by improper use of the product. The product is not intended to be used for commercial or industrial applications.

Specifications
Type: CUBE LTD+ LED
LED: 3 LEDs + 1 Power LED

Safety note
DANGER! CHOKING AND ACCIDENT HAZARDS TO INFANTS AND CHILDREN!
Never leave your child unattended with the packaging material. There is a danger of suffocation due to choking on swallowed packaging. Children are often not aware of the hazards. Keep the product out of reach of children at any time. The product is not a toy. The product is not intended for use by persons (including children) with limited or inhibited physical, sensory or mental capability or lack of experience or knowledge, unless they are supervised by a person responsible for their safety. Please note that damages caused by improper use and noncompliance with the operating instructions or by repairs or manipulation carried out by unauthorised persons are excluded from warranty. Do not disassemble the product at any time. Repairs carried out by unauthorised persons can cause significant danger to the user. Any repairs must be carried out by qualified personal. The LEDs are non-replaceable.

Notes relating to the disposal of devices and packaging:
You can dispose of the packaging at local recycling centres. Please refer to your local authority for details. The packaging is made of environmentally friendly materials. If you no longer use the product, do not throw it into the household waste but dispose of it properly as arranged for by your local authority. Please refer to your local authority for further details.

Mounting the light
Mount the light, as shown in image.

Charging the battery
Charge the battery, as shown in image.

Operating the light
Press button (A) to switch on the light. You can switch the light off by pressing the button again. The light has two functions (permanent and flashing), which can be changed by pressing button (A) repeatedly.

Cleaning the light
Clean the light with a damp, lint-free rag. Never put the light into or under water. Do not use corrosive or abrasive cleaners. They can damage the light.
